

SUNBEAMS.

The East End Hotel at Long Branch is not closed.

The Freshmen class in Yale College numbers about 175.

Gov. Converse of Vermont had his pocket picked by the other day.

The books in the library belonging to the British Museum occupy twelve miles of shelving.

The Utica Observer intimates that the Hon. E. H. Roberts of Utica has agreed to support Speaker Blaine for President.

It is stated that nearly four thousand female emigrants are at large in England with tickets to leave, the majority of whom live in London.

A physician near Montpelier, being asked what form of cremation tended that it might be used in such cases, said by the most expeditious process.

A writer in the Alaska Herald thinks that in two hundred and fifty years we will be one of the leading shipping cities in the world. Corner lot rates are cheap.

MOUNTAIN FIRE has been in eruption since the evening of Aug. 20. The lava is issuing from the crater in three mouths, all of which, however, are some distance from any settlements.

Woman is a delusion, medium is an emanation, and a spirit who wants to speak with us is a fraud.

Two young girls, one a Methodist and the other a Presbyterian, are studying in Europe.

A COUPLE of young girls wanted to ascertain if there was any kind of new invention in the way of a portable typewriter, so they made up a plan to go to New York and get one.

A ATTENTION, LADIES!—Females, white, dark, and black, who have a good education, and are free, may be learned in a short time from those alone who can afford to pay.

ATTENTION, LADIES!—Females, white,

dark, and black, who have a good education,

and are free, may be learned in a short time from those alone who can afford to pay.
